Adapter cable for programming the HMG10P/PMG10P SSI series with flange connector/s

Description

Adapter cable with D-SUB connector (male) for connection of encoders of HMG10/PMG10 SSI series with flange connector/s to the WLAN adapter Z-PA.SDL.1. The encoder can be conntected to the WLAN adapter in ONLINE or OFFLINE mode.

Part number

| 11191143	Adapter cable for programming the HMG10P/PMG10P SSI series with flange connector/s Mating connector M23, 17-pin, CCW with connecting cable and D-SUB connector (male) 15-pin, tee connector M23, 3x 17-pin

Scope of delivery

Mating connector M23, 17-pin, CCW with connecting cable and D-SUB connector (male) 15-pin (ONLINE and OFFLINE mode)
Tee connector M23, 3x 17-pin (ONLINE mode)

Suitable for

Z-PA.SDL.1 WLAN adapter, HMG10P/PMG10P

Assembly drawing

OFFLINE mode

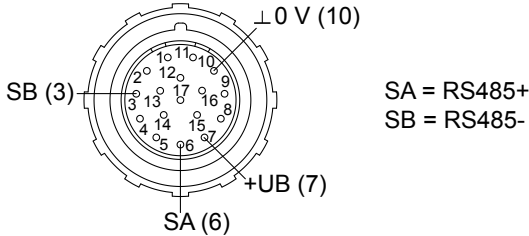

ONLINE mode

Terminal assignment
