

## Magnetic Switch

### Coded switching magnet

Description **TK-42-CD TÜV**

Article number **6402042310**

#### Mechanical data

Enclosure	PA6.6 black (encapsulated magnets)
Magnet	Hard ferrite
Ambient air temperature	-20 °C ... +80 °C
Application	Magnetic limit switch type <b>MAx-4236-x</b>
Installation position	operator definable
Pollution degree	3 according to EN 60947-1
