

## ITEM 112989 MGB-A-EMERGENCYRELEASE-112989

Description	Technical data	Accessories	Downloads
-------------	----------------	-------------	-----------

### Features

- › Quick emergency unlocking
- › sealable

The MGB can be unlocked manually using the emergency unlocking. The rotary knob is pushed and then turned by 90° to unlock. The snap-in bolt engages in the hole on the flange. To release the emergency unlocking, push the snap-in bolt inward and simultaneously turn the rotary knob back to its initial position. The emergency unlocking can be sealed in free position. Wire and seal are included with the emergency unlocking.

### Approvals

### Mechanical values and environment

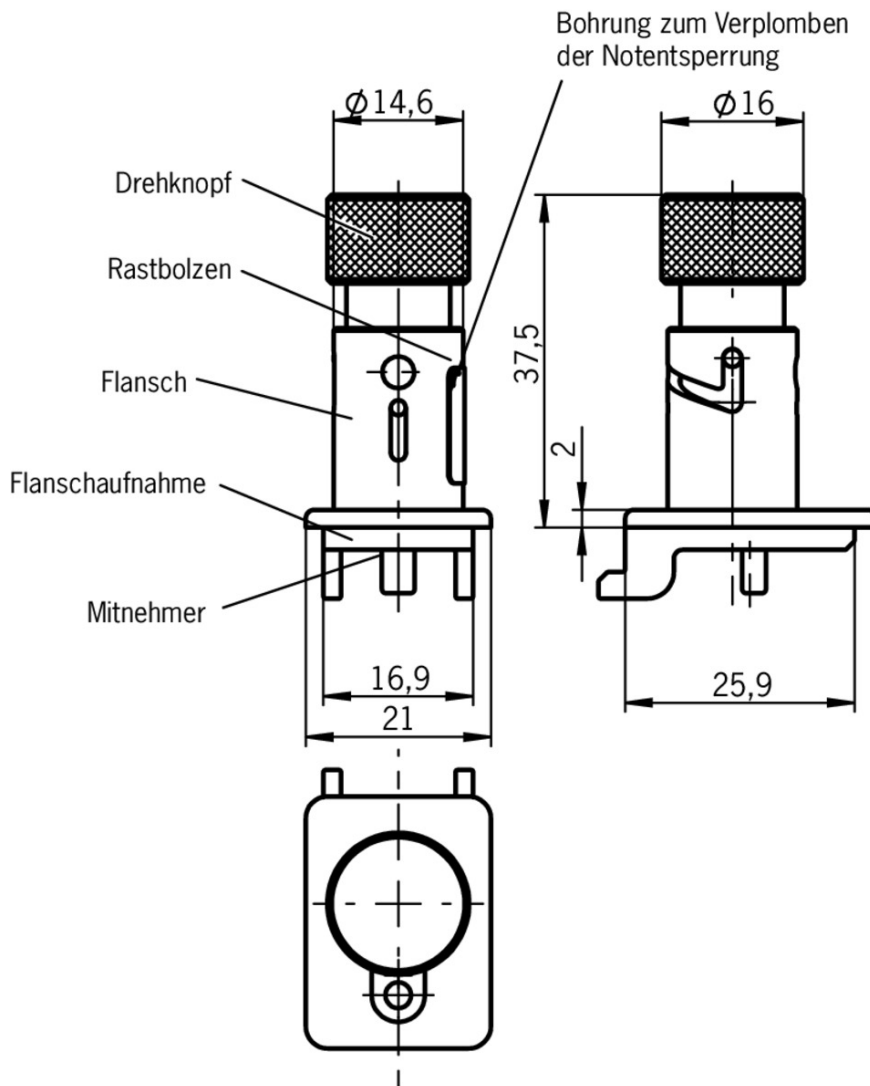

Material	Aluminum, stainless steel
Weight	

Net 0,04 kg

Mechanical life

$0,02 \times 10^6$

### Dimension drawing

### Spare parts

Lead seal kit

**087256** PLOMBENSATZ C1937
