

Adapter Box for RS-232 Connection

A232

Part Number

Technical Data

Electrical Data

Supply Voltage	10...30 V DC
Current Consumption (U _b = 24 V)	< 20 mA
Reverse Polarity Protection	yes
Interface	RS-232

Mechanical Data

Degree of Protection	IP65
Temperature Range	-25...60 °C
Housing Material	Plastic
Scope of delivery	Connection Cable
Packaging unit	1 Piece

Suitable Connection Technology No.

2

- Connection cable SUB D, 9-pin included in delivery
